## Tabletop Games Mistmaker

### Instruction Manual

Version 1.0

Dear customer,

Thank you very much for purchasing the Tabletop Games Mistmaker. In this manual you will find a short instruction for setting-up and using the kit.

**Follow each step carefully- failure to do so can damage the product and cause frustration!**

<b>Kit content .....</b>	<b>2</b>

## Kit content

Please check if all parts are delivered.

- 4 Swappable LED's (red, green, yellow and blue) including batteries
- Main kit (2 parts)
- Mist divider
- 2 cotton swabs

## Setting up the kit

A short video of how to set-up the kit can be found at our YouTube channel:

[youtube.com/@WastelandIndustries](https://youtube.com/@WastelandIndustries)

- Fill the water container with water to the **MAX sign** inside the container.
- Soak 1 of the 2 cotton swaps for **at least 5 minutes** in the water.
- Insert the cotton swap into the main units bottom and press to make sure the cotton swap is inserted all the way.

- You can now operate the MistMaker by simply pressing the black button on top
  - o Press 1 time for max mist
  - o Press again for medium mist
  - o Press again for minimal mist
  - o Press again to turn off the machine

**IMPORTANT NOTE!! Never run the machine without water in the container this will damage the machine!!**

## Inserting the LED

The machine is delivered with 4 Swappable LED's (red, green, yellow and blue) including batteries for extra effect. Using the LED's is very simple.

- Insert the battery into the led with the + facing down

- Make sure to push the battery all the way in
- Turn the led on/off by clicking the small black button on top of the LED

- Place the LED in the holder on top of the MistMaker

## Important Disclaimer

**- Tempering / opening the kit will likely void the warranty and will NOT be covered by Wasteland Industries so the use and placement of this is fully at your own risk!**

- Wasteland Industries will not accept any responsibility for property damage or bodily harm caused by the improper use of the kit. It is the user's responsibility to use good judgement and knowledge of the risks detailed above to correctly and safely operate the device. If you are unwilling to accept the risks associated with the use of this device, immediately return it back to us for a full refund.

## Manual Disclaimer

All the data of this User's Manual (e.g. illustrations, text, specifications and data) are based on the latest information available and every care has been taken in compilation of the contents herein and in verification of its accuracy at the time of creation. As the aim of Wasteland Industries is to give customers the most updated and state-of-the-art products, it may operate some technical modifications and improvements in time. Wasteland Industries may consequently alter the information contained in this User's Manual without notice. Wasteland Industries has taken every care to ensure that this User's Manual contains accurate information and has published it on the basis that it is not responsible for the results of any actions taken by users of information contained in it, on the basis of information contained in this manual, nor for any error in or omission from it. Wasteland Industries disclaims any responsibility whatsoever for misrepresentation by any person whatsoever of the information contained in this User's Manual and expressly disclaims all and any liability and responsibility to any person, whether a reader of this User's Manual or not, in respect of claims, losses or damage or any other matter, either direct or consequential arising out of or in relation to the use and reliance, whether wholly or partially, upon any information contained or products referred to in this User's Manual. If you find that some technical features or external appearance of your product differ from the ones inserted in this User's Manual, please contact Wasteland Industries.

Again thank you for purchasing a Wasteland Industries kit and please do send us a picture of your project or tag us in your social media post!
